

## John O'Leary, #1 National Bestselling Author & Speaker

Expected to die.

Now teaching others how to *truly* live.

In 1987, John O'Leary was a curious nine-year-old boy. Playing with fire and gasoline, John created a massive explosion in his home and was burned on 100% of his body. He was given less than a 1% chance to live.

This epic story of survival was first showcased in his parents' book, *Overwhelming Odds*, in 2006. It was this book that first invited John to embrace his miraculous recovery and share it with the world.

Today, John is the author of the instant #1 National Bestselling book *ON FIRE: The 7 Choices to Ignite a Radically Inspired Life*, host of the top-rated Live Inspired Podcast, and an inspirational speaker teaching more than 50,000 people around the world each year how to live inspired.

**His second book, *IN AWE: Rediscover Your Childlike Wonder to Unleash Inspiration, Meaning and Joy* will be published by Penguin Random House in May 2020.**

Consistently described as "the best speaker we've ever had," John's emotional story-telling, unexpected humor, and authenticity make each of his presentations truly transformational.
