## The 7 Choices to Ignite a Radically Inspired Life

Based on John's #1 National Bestselling Book

We live in a world where “accidental living” – mindlessly moving through routines, wasting countless hours on social media, or complaining about what’s wrong in our jobs, families and society – has become the norm. But John O’Leary reminds us that just because we got out of bed this morning, does not mean that we are truly living.

**What would our day, impact and output look like if we lived a radically inspired life, every, single day?**

*Living radically inspired* means you learn from past mistakes, rise above challenges and thrive no matter the circumstances. No one embodies this more than powerhouse inspirational speaker John O’Leary - who was nearly killed in a devastating fire at age nine. Today, John inspires 50,000+ people each year around the world.

In his #1 national bestselling book *ON FIRE: The 7 Choices to Ignite a Radically Inspired Life*, John has identified choices to transform your life and business. *ON FIRE* has sold more than 200,000 copies and has been translated into 12 languages.

John shares the critical truth that “inflection points” - moments in time that change everything that follows - occur daily. He empowers you to realize that your life has far less to do with what happens to you, and much more to do with how you respond. Although you can’t always choose the path you walk, you can always choose the manner in which you walk it. **Are you ready to live on fire?**

John has inspired 1,600+ clients, including:

### VICTOR-MINDSET:

Shift your perspective to leverage your strength and reclaim freedom. First, see how perspective is coloring *each* of your interactions. Strive for progress (not perfection) and learn from defeat. With a new common mindset, your organization will achieve unbridled success.
