

# John O'Leary, #1 National Bestselling Author & Speaker

Expected to die. Now teaching others how to truly live.

In 1987, John O'Leary was a curious nine-year-old boy. Playing with fire and gasoline, John created a massive explosion in his home and was burned on 100% of his body. He was given less than a 1% chance to live.

This epic story of survival was first showcased in his parents' book, *Overwhelming Odds*, in 2006. It was this book that first invited John to embrace his miraculous recovery and share it with the world.

Today, John inspires tens of thousands of people at more than 100 live and virtual events each year. He partners with companies and organizations across industries, such as: sales, healthcare, safety, marketing, finance, faith, education and insurance.

Consistently described as "the best speaker we've ever had," John's tireless schedule is a testament to the power of his message. His emotional storytelling, unexpected humor and authenticity make each presentation unforgettable.

John is a two-time #1 National Bestselling author. His first book *ON FIRE: The 7 Choices to Ignite a Radically Inspired Life* has sold 250,000+ copies and been translated into 12 languages. *IN AWE: Rediscover Your Childlike Wonder to Unleash Inspiration, Meaning and Joy* was published in May 2020 and was a crucial message during an unprecedented time.

His comprehensive Live Inspired Coaching program provides long-term engagement and a genuine, collaborative approach that takes his message from inspirational to transformational inside organizations.

John's award-winning Live Inspired Podcast has more than 5 million downloads and enjoys world-class guests like Brené Brown, Mitch Albom, Jackie Joyner-Kersey and Shawn Achor.

Regardless the professional accomplishments, John considers his greatest success to be his marriage to his wife Beth, their four children and his relationships with friends and family.

Roaring, standing ovations. Stacks of heartfelt thank-you notes. One audience leading to the next. Every time.
